# Wants vs. Needs Coloring Worksheet

In *Lily Learns About Wants and Needs*, Lily and her dad had to decide what items to buy based on whether or not they were “wants” or “needs.” Color the items below. Of all the “wants” and “needs” below, which would you be most interested to save money for?

**WHAT DO YOU MOST WANT OR NEED?**

**BONUS:** Could some of the wants above be considered needs?

# Sorting Wants and Needs Worksheet

Help sort out wants from needs. After carefully cutting the products on the "You Choose: Do you Want it or Need it?" worksheet, paste them below. Do your wants and needs match your neighbor's?

Wants

Needs

**Bonus:**

How much money do all of the needs cost?  
Are these expenses more or less than the wants?
