Vermont Blue Advantage Group PPO Provider Directory

This directory provides a list of Vermont Blue Advantage PPO's network providers.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory.

Out-of-network providers are under no obligation to treat Vermont Blue Advantage PPO members, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at:

Vermont Blue Advantage Group PPO Plan 1-800-572-0280	Available from 8 a.m. to 8 p.m. Eastern time, seven days a week from October 1 – March 31. Available from 8 a.m. to 8 p.m. Eastern time, Monday through Friday from April 1 – September 30. (TTY users should call 711)

You may also refer to your *Evidence of Coverage* (EOC) for more information, including the cost-sharing that applies to out-of-network services.

If you receive medical services within the Vermont Blue Advantage PPO service area, most will be covered at in-network levels. Services you receive from out-of-network providers will be covered at out-of-network levels and you may pay more out-of-pocket costs than if you choose an in-network provider, with the exception of emergencies and urgent care.

If you need out-of-network medical care, you may go to any doctor or hospital that accepts Medicare; however, you may pay more out-of-pocket costs. To find a doctor or hospital near you, call our Customer Service department at one of the numbers listed above.

If you receive care from an out-of-network or non-contracted provider, the provider may bill you for the services you receive. Do not pay the bill. Please mail your itemized bill along with your name and contract number to us so we can review it for payment. Mail the information to:

Customer Service Inquiry Dept.

Vermont Blue Advantage
Member Correspondence
P.O. Box 260040
Plano, TX 75026

If you need emergency care, call 911 or go directly to an emergency room. If you are admitted to the hospital for the same condition within three days of your emergency room visit, you do not have to pay the emergency room copay. Emergency care can always be obtained in or out of the service area from the nearest available provider. You're also covered for emergency and urgent care worldwide. You may have to pay for the care you receive and seek reimbursement from us. See your *Evidence of Coverage* for more information.

When out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

Introduction

Vermont Blue Advantage Group PPO Pharmacy Directory

This booklet provides a list of Vermont Blue Advantage PPO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Vermont Blue Advantage PPO's formulary.

When this pharmacy directory refers to “we,” “us,” or “our,” it means Vermont Blue Advantage. When it refers to “plan” or “our plan,” it means Vermont Blue Advantage PPO.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Vermont Blue Advantage PPO only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 09/20/2022. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program, Optum Rx[SM]. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for all of Vermont which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Customer Service at 1-800-572-0280. TTY users should call 711.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Vermont Blue Advantage PPO.

You can get prescription drugs shipped to your home through our network mail order pharmacies. Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at the Customer Service number on the covers of this booklet.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 30 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Optum Rx[SM] 24 hours a day, 7 days a week at 1-855-489-0646.
