

Artistic Inspirations for Your Students!

Below are some design examples that may help get your students' creative juices flowing! You might also bring in and display flyers and ads that you think will give your students ideas for designing their own flyers.

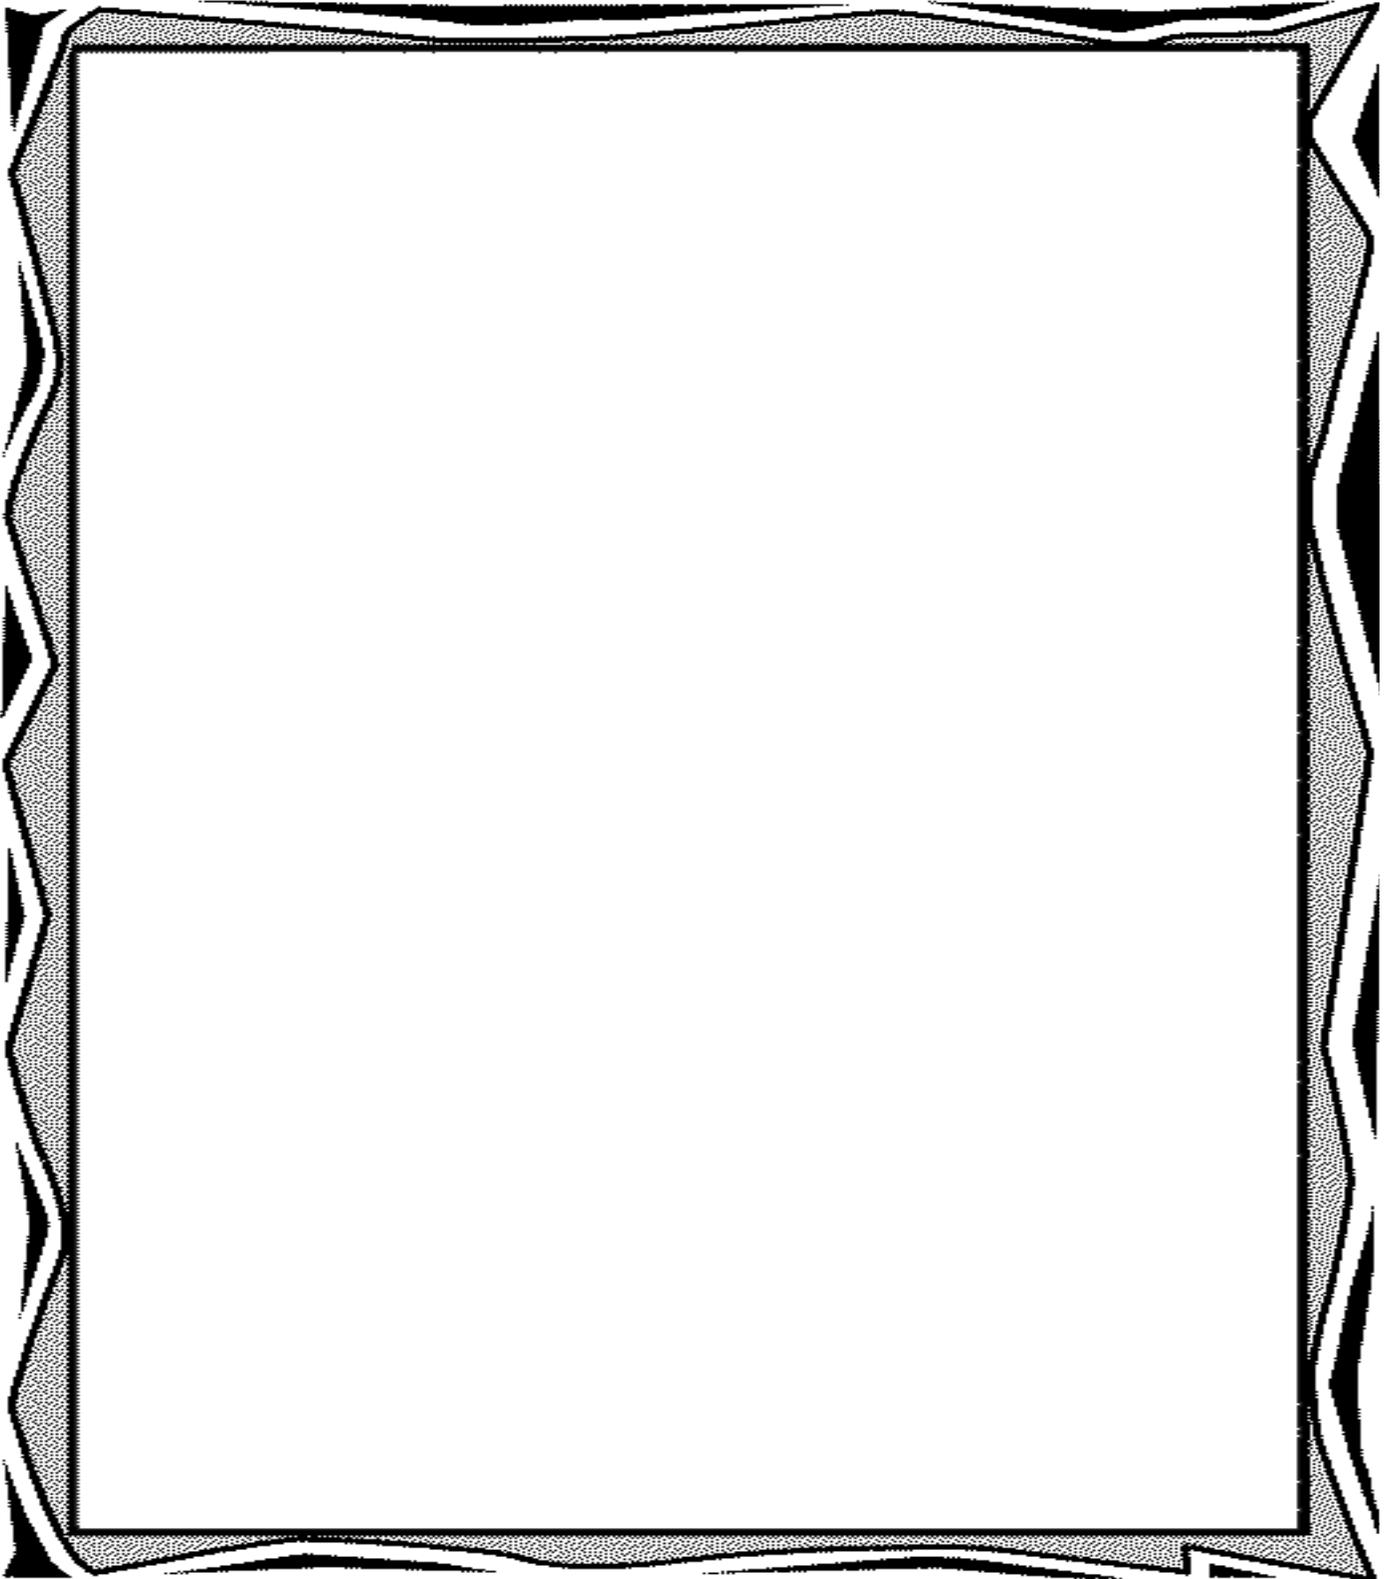

BIG EVENT!

NAME: _____

I Am An Entrepreneur! - What will you sell?

Create a flyer to advertise your business. Your flyer should: (1) show what your are selling; (2) include pictures or words to attract attention; (3) state your price for the good or service you are selling; and (4) tell your customers how to contact you.

NAME: _____

Lemonade Anyone?
