Deputy State Treasurer Wisloski Appointed to Debt Management Network

MONTPELIER, Vt.—Vermont Deputy State Treasurer Stephen Wisloski has been appointed to the Executive Board of the State Debt Management Network. The network is an affiliate of the National Association of State Treasurers and is the professional organization of the issuers and managers of state debt.

Wisloski joined the Treasurer's Office as Director of Investment and Debt Management in July 2009. He was appointed Deputy State Treasurer in January 2011. Prior to joining the Treasurer's Office, he worked as Senior Managing Consultant for the PFM Group--a leading financial advisory firm to state and local governments, and served in the U.S. Air Force.

"It is an honor to serve with the SDMN's Executive Board," said Wisloski. "This distinguished board includes some of the most knowledgeable municipal debt professionals in the United States. I look forward to learning as much as I can from them during my tenure, and hopefully making a positive contribution to the board's mission, as well."

The network was formed in 1991 and brings together public officials from all branches of state government to share information on issuance, management and oversight of public debt.
