

The Vermont State Retirement Systems are seeking qualified Enhanced and Equal Weighted Index Managers to invest a portion of their large cap domestic funds against the S&P 500 benchmark. If you are interested in participating in the search, would like more information, or wish to request a copy of the RFP, please contact the systems' Investment Consultant at publicfundresponse@nepc.com by 4:30 pm on September 24, 2004. Completed RFPs must be returned to NEPC no later than 4:30 pm (EDT) on Friday, October 15, 2004.

The minimum criteria for respondents is:

- \$1 billion Assets Under Management in the Large Cap Index product
- 3-year AIMR compliant track record
- At least 2 public fund clients on a firm-level
