

STATE OF VERMONT
OFFICE OF THE TREASURER

REQUEST FOR BIDS

Subject Matter Expert (Retirement Plan) Consulting Services related to Implementation of Multiple Employer Plan and Retention of Third-Party Administrator

Background and Context

In 2017, the Vermont General Assembly passed Act 69, which requires for the implementation of a voluntary Multiple Employer Plan (MEP) public retirement plan, to be called the Green Mountain Secure Retirement Plan (Plan), on or before January 15, 2019.¹ The passage of Act 69 followed three years of study and review by the [Public Retirement Study Committee](#) (PRSC), which issued three reports to the Vermont General Assembly in [2015](#), [2016](#), and [2017](#), respectively.²

The Plan is required to be available, on a voluntary basis, to employers with 50 employees or fewer and that do not currently offer a retirement plan to their employees. It is also required to be available to self-employed individuals. The Plan will be funded by employee contributions with an option for future voluntary employer contributions. Oversight of the Plan will be by a Board that is empowered to set program terms, prepare and design plan documents, and appoint a plan administrator. The Treasurer's Office expects that the Board will be in place in early 2018.

In advance of the Board's establishment, the Treasurer's Office seeks to engage a consultant to counsel and advise on the establishment of the Plan. As described in greater detail below, the consultant must have expertise in both public and private retirement plan administration, as well as specific expertise with multiple employer plan implementation and administration. The consultant will be engaged to provide advice and assistance in the implementation of the Plan, including, but not limited to, the solicitation for and engagement of a plan administrator.

Scope of Services

The Treasurer's Office has developed a timeline for Plan implementation, which is attached here: [Green Mountain Secure Retirement Plan Implementation Workplan and Timeline \(Vertical\)](#).

As indicated in the timeline, the Treasurer's Office has set a June 15, 2018 deadline for a contract to be signed with a third-party Plan administrator. In order to meet this milestone, a consultant with subject matter expertise in retirement plan implementation and administration is required to provide advice and assistance in the establishment of the Plan. The consultant will be available through June 30, 2018, to do the following:

1. Review and advise on the timeline and workplan for Plan implementation, including the identification of critical milestones and other deliverables needed in advance of retaining a third-party administrator;
2. Review and assist in development of a Request for Proposals (RFP) process designed to retain a qualified third-party Plan administrator, including crafting a competitive RFP that is tailored to the needs of the Plan, providing a thorough review and evaluation of bids received, and advising on the selection of the administrator;
3. Review and assist in the development of a contract with the selected bidder, including providing expertise on contract and pricing structures;
4. Provide general advice on legal and regulatory requirements associated with development of the Plan;
5. Provide marketing and outreach advice on how to attract employers to participate in the Plan; and
6. Identify and develop grant funding opportunities for all or some of the work needed to be performed in advance of Plan establishment.

Requirements for Submission

Proposals in response to this RFP are due no later than 2:00 P.M. Eastern Time (ET) on Friday, December 29, 2017 to treasurers.office@vermont.gov.

2. Entire Agreement: This Agreement, whether in the form of a Contract, State Funded Grant, or Federally Funded Grant, represents the entire agreement between the parties on the subject matter. All prior agreements, representations, statements, negotiations, and understandings shall have no effect.

3. Governing Law, Jurisdiction and Venue; No Waiver of Jury Trial: This Agreement will be governed by the laws of the State of Vermont. Any action or proceeding brought by either the State or the Party in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. The Party irrevocably submits to the jurisdiction of this court for any action or proceeding regarding this Agreement. The Party agrees that it must first exhaust any applicable administrative remedies with respect to any cause of action that it may have against the State with regard to its performance under the Agreement.

Party agrees that the State shall not be required to submit to binding arbitration or waive its right to a jury trial.

4. Sovereign Immunity: The State reserves all immunities, defenses, rights or actions arising out of the State’s sovereign status or under the Eleventh Amendment to the United States Constitution. No waiver of the State’s immunities, defenses, rights or actions shall be implied or otherwise deemed to exist by reason of the State’s entry into this Agreement.

The State retains the right to participate at its own expense in the defense of any claim. The State shall have the right to approve all proposed settlements of such claims or suits. In the event the State withholds approval to settle any such claim, then the Party shall proceed with the defense of the claim but under those circumstances, the Party’s indemnification obligations shall be limited to the amount of the proposed settlement initially rejected by the State.

After a final judgment or settlement the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. The Party shall be entitled to recoup costs only upon a showing that such costs were entirely unrelated to the defense of any claim arising from an act or omission of the Party in connection with the performance of this Agreement.

The Party shall indemnify the State and its officers and employees in the event that the State, its officers or employees become legally obligated to pay any damages or losses arising from any act or omission of the Party or an agent of the Party in connection with the performance of this Agreement.

The Party agrees that in no event shall the terms of this Agreement nor any document required by the Party in connection with its performance under this Agreement obligate the State to defend or indemnify the Party or otherwise be liable for the expenses or reimbursement, including attorneys' fees, collection costs or other costs of the Party except to the extent awarded by a court of competent jurisdiction.

8. Insurance: Before commencing work on this Agreement the Party must provide certificates of insurance to show that the following minimum coverages are in effect. It is the responsibility of the Party to maintain current certificates of insurance on file with the State through the term of the Agreement.
