What Does it Cost to Run a Business?

In the book *What Does it Mean to be an Entrepreneur?*, we learn about how one girl worked through the process of starting her business. There are costs that entrepreneurs have to pay to make their business run. Review the costs below and help answer the questions.

COSTS:

3 tubs	\$ 900
Cash register:	\$ 300
Decorating:	\$ 100
Towels:	\$ 50 per month
Shampoo:	\$ 80 per month
Soap:	\$ 100 per month
Advertising:	\$ 200 per month

1) The girl needs to buy 3 tubs to wash dogs in. If each wash earns \$ 20, how many dogs will she need to wash to pay for all the tubs? _____

2) After few years in business, the decorations are damaged and need to be replaced. How many dog washes will it take to pay for them? _____

3) Setting aside the startup costs of the tubs, cash register, and decorating, how much will it cost to run the business for 6 months? _____

4) If you were in charge of the dog washing shop, is there anything you'd invest more or less dollars into? Why? _____
