The Chairperson, Jeb Spaulding, called the Tuesday, December 15, 2009, meeting to order at 12:33 p.m., which was held in Room 410, the Boardroom, 133 State Street, Montpelier, VT.

Mr. Spaulding briefly reviewed the agenda and advised the Commission members the report was due by December 18, 2009. Mr. Spaulding advised the Commission members a letter would be sent to the Legislature indicating the report will be filed by the end of the month. The consensus of the Commission was to not have the letter include any content of the report.

ITEM 1: Approve minutes of November 19, 2009

On motion by Mr. Wacek, seconded by Mr. Coates, the Commission unanimously voted to approve the minutes of November 19, 2009 as amended.

ITEM 2: Discuss comments shared at December 3rd Public Hearing
The Commission discussed their impressions of the success of the public hearing. Mr. Spaulding stated most comments were favorable concerning the public hearing. Mr. Spaulding stated there were 275 people who attended, although they all did not testify. Mr. Spaulding stated three-quarters of the people who testified were teachers or retired teachers. Mr. Spaulding stated his frustration it was not a dialog with the public since people came with questions and left with questions unanswered.

The Commission members reviewed the document entitled *Materials for December 9th Commission Meeting, Recently Completed Analyses Based on Commission Member Requests.* Ms. Pearce reviewed the figures for Scenarios No. 1 and 2. Ms. Pearce reviewed the ARCs for the two scenarios.

(Mr. Talbott entered the meeting at this time.)

Ms. Pearce reviewed the tiered health care in conjunction with the two scenarios. The Commission discussed the tiered health care in conjunction with the ARC. Mr. Spaulding and Ms. Pearce explained all the charts associated with the above document.

Mr. Spaulding reviewed the one-page document he provided the Commission members concerning the Employer ARC, Employee Contribution % and State Contribution for both VSTRS and VSERS. Mr. Spaulding provided the Commission members the VSERS and VSTRS Employee Contribution sheet. Mr. Spaulding stated this sheet indicated the VSERS contribution for Group F.

The Commission members reviewed the *Average Final Compensation* document which was handed out. Ms. Webster stated these were actual members whose figures were used for the analysis. Ms. Webster explained what was included in the final compensation for the different groups. Mr. Talbott stated the figures did not include the COLA’s that would be lost by the member so the figures would be even more than noted on the document.

It was stated the last document that was handed out was a draft document. Ms. Pearce stated she will obtain a revised document for the Commission members. The document provided Rule of 90 and Rule of 87 with the different components and the ARC. Ms. Pearce and Mr. Spaulding answered the Commission members’ questions concerning this document. The Commission members discussed the 60% benefit.

The Commission briefly discussed what would be included in the final report, including items that were reviewed but not recommended.

**ITEM 3: Public Comments**

Jane Osgatharp, a retired State employee provided the Commission with her thoughts on how it would affect State employees. Paul White, VSEA Alternate of the VSERS Board provided the Commission with his thoughts that the Commission did not have enough time to address this important issue. Mr. Spaulding indicated the recommendations of the Commission will be massaged by the Legislature, and that the process is not over yet.
Jes Kraus, Director of VSEA, questioned what happened from two years ago when changes were last made. Mr. Kraus indicated his concern for these changes being implemented for people who are already vested. Mr. Spaulding responded it is a bad economy and demographic trends continue to change. Mr. Spaulding stated the system cannot be sustained. Mr. Spaulding stated impacting people on the job is a gray area, but instituting the changes for only new employees will not have a substantial impact. There was a discussion when the changes from 2008 will be seen in the ARC. There was a discussion about the assumptions that are used. There was a discussion about the experience study being conducted every five years. It was indicated the demographic changes are no surprise so why is this being addressed now. Mr. Spaulding stated really difficult financial times force you to address something you should have addressed earlier. There was a discussion about the changes in 2008 and the reduction in work force.

(A recess was taken from 2:15 p.m. to 2:30 p.m.)

**ITEM 4: Develop recommendations for final report to Legislature**

Mr. Lunderville stated the Commission should keep in mind the Joint Fiscal Committee’s benchmark of 3.5%. The Commission discussed the issue of spiking. The Commission discussed the funding for OPEBs.
