ITEM 4: Update of the VBA transition

Mr. Duggan explained that the deadline to opt-out of the VBA plans was October 27, 2021. However, the office will still honor forms received after the deadline. Ms. Campbell provided an update on the different applications that were received as of November 4, 2021. There have been 746 applications to change plans, 47 open enrollment applications and 56 opt-out applications received and processed by staff. Ms. Campbell also explained that every member that submitted an opt-out form is being contacted by Mr. Barry to confirm they understand they are opting to no longer have health insurance though VSTRS.

ITEM 5: Explanation of Benefits discussion- VBA
Mr. Harris expressed concerns with the VBA Explanation of Benefits (EOB) not specifying what Medicare would be paying for a claim. Mr. May explained the billing mechanism that differentiates Medicare Advantage plans; that being that an individual’s Medicare benefits, and the health insurance benefits associated with their plan are administered concurrently, resulting in a single cost share explanation on the EOB. Mr. May and Mr. Duggan will work with staff to ensure this is communicated to members properly.

ITEM 6:  VPIC update

The Board asked Mr. Mackey questions and discussed the transition separating from the Treasurer’s office. Mr. Mackey explained the transition is going well thanks to the hard work of staff and commission members. He explained the commission contracted a new consultant, RVK Inc, which had been previously hired for a separate and distinct governance study. The commission’s budget is separate from the Treasurer’s budget and was submitted on November 8, 2021.
