Rating Action: Moody's affirms Vermont's Aa2 transportation infrastructure bonds and property transfer tax bonds; outlook stable

23 Oct 2018

RATINGS RATIONALE

The Aa2 rating on the state's transportation infrastructure bonds reflects a healthy tax base, a broad special tax pledge of motor fuel taxes, strong limitations on leveraging pledged motor fuel taxes and very healthy debt service coverage. The rating considers recent declines in pledged motor fuel taxes, but balances this against state action to set a floor in the taxable price of gasoline to mitigate the effects of large price declines.

The Aa2 rating on the property transfer tax bonds is heavily supported by the strong coverage provided by property transfer taxes and statutory restrictions on further leveraging pledged taxes. The rating considers these strengths in light of the very narrow tax pledge and the highly volatile nature of the total transfer tax stream.

RATING OUTLOOK

The stable outlook incorporates both the stable outlook of the state's general obligation rating and the expectation that coverage of annual debt service on both types of bonds by their respective pledges will remain strong.

FACTORS THAT COULD LEAD TO AN UPGRADE

- Sustained growth in pledged taxes or state actions that further strengthen the respective special tax pledges

FACTORS THAT COULD LEAD TO A DOWNGRADE

- Sustained decline in pledged taxes or statutory changes that weaken bondholder covenants

- A downgrade of the state's general obligation rating

LEGAL SECURITY

The transportation infrastructure bonds are secured by receipts of a 2% assessment on the retail price of each gallon of gasoline sold by distributors in the state and receipts of a $0.03 assessment on each gallon of diesel fuel sold in the state.

The property transfer tax revenue bonds are secured by a statutory transfer of the first $2.5 million of property transfer tax receipts from the state to the Vermont Housing Finance Agency (HFA). Act 85 of 2017 specifically allocates the first $2.5 million of collections to the HFA to pay debt service on the authorized bonds.
